## ARMOUR THOMAS
## CANDIDATE FOR PETITE SAVANNE CONSTITUENCY

*Armour hails from the South — in fact he was born in Dubique, a small village one-quarter mile from Grand Bay. — Born of working class parents (his mother a labourer, his father a painter), Armour had his primary education at the Grand Bay Boys' School and the Clifton Dupigny Technical College, where he obtained some of the most basic skills needed in Dominica today. He studied Agricultural and Automobile Engineering, Joinery, Electrical Engineering and Basic Electronics. Today, Armour is employed at L. Rose and Company as an Electrician.*
